Case 01-CA-039447

## **JAMISON JOHN DUPUY**

## ORDER<sup>1</sup>

On September 4, 2013, the Board issued an Order denying Charging Party Jamison John Dupuy's Request for Review of the Acting General Counsel's decision affirming the Regional Director's compliance determination. On September 20, 2013, the Charging Party filed a Motion for Reconsideration or Clarification of the Board's Order. On October 22, 2013, the General Counsel filed a response, and on that same date the Charging Party filed a reply.

Section 102.48(d)(1) of the Board's Rules and Regulations permits a party in "extraordinary circumstances" to move for reconsideration of a Board order. We find that the Charging Party has presented no extraordinary circumstances warranting reconsideration of the above-referenced Order. Accordingly, we deny the Charging Party's motion.<sup>2</sup>

<sup>&</sup>lt;sup>1</sup> The National Labor Relations Board has delegated its authority in this proceeding to a three-member panel.

Although we are sensitive to the Charging Party's status as a pro se litigant, we assure him that all arguments he raised in support of his appeal and his motion for reconsideration or clarification, along with all of the responses by the Regional Director, have been fully and carefully considered by the Board.
